(a) the right of the Association to charge reasonable admission and other fees for the use of any recreational facility situated upon the Common Area;

(b) the right of the Association <sup>Unofficial Document</sup> to suspend the voting rights and right to use of the recreational facilities by an owner for any period during which any assessment against his Lot remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations;

(c) the right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument signed by two-thirds (2/3) of each class of owners agreeing to such dedication or transfer has been recorded.

Section 2. Delegation of Use. Any owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Area and facilities to the members of his family, his tenants, or contract purchasers who reside on the property.

ARTICLE III  
MEMBERSHIP AND VOTING RIGHTS

Section 1. Every owner of a lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment.

Section 2. The Association shall have four (4) classes of voting membership:

Class A. Class A members shall be all owners, with the exception of the Developer and Declarant, of lots upon which are constructed a single family detached home, and shall be entitled to one vote for each site owned. When more than one person owns any site, all such persons shall be members. The vote for such site shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any site.

Class B. The Class B member shall be all owners, with the exception of the Developer and Declarant, of all townhouse lots and shall be entitled to one vote for each townhouse lot owned. When more than one person owns any townhouse lot, all such persons shall be members. The vote for such lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any townhouse lot.

The Class D membership shall cease and be converted to Class A, Class B, or Class C membership, whichever is appropriate, on the happening of either of the following events, whichever first occurs:

Section 3. For the purposes of this Article only, and in order to pursue the development plan as set forth in the general plan of development as previously approved by the City of Mesa, FHA, and VA, the Declarant shall be considered to be the owner of Six Thousand (6,000) lots, less the number of residential units or lots sold to individual purchasers.

Section 4. In the event the general plan of development is not pursued to completion and an affirmative statement of abandonment of any or all parts of the general plan previously approved by FHA/VA and the City of Mesa, is recorded in the office of the County Recorder of Maricopa County, Arizona, then, in such event the voting power of the Six Thousand (6,000) lots as set forth above shall be reduced by the number of lots so abandoned.

Section 5. In the event that Developer shall make a "constructive abandonment" of the general plan of development, then, and in such event, the voting power of the Six Thousand (6,000) lots as set forth above shall be reduced by the number of lots so constructively abandoned. For the purposes of this section, a "constructive abandonment" shall be deemed to have occurred when Developer shall not have made any construction starts for a period of (1) year, or shall have made no substantial progress towards planning or preparation for continuation of the general plan of development. A constructive abandonment shall not occur if the lack of construction starts, planning or preparation shall be due to strikes, acts of God, war, riot, insurrection, or other acts which are beyond the control of the Developer.

#### ARTICLE IV COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Plan and Personal Obligation of Assessments. The Declarant for each lot owned within the properties, hereby covenants, and each owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the lot or lots owned by the member of the Association and shall be continuing lien upon his lot or lots against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment was due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. In order to promote civic betterment and social improvements for the common good of this community, the assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of this development and for the improvements and maintenance of the Common Area.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment shall be one hundred twenty-four dollars and eighty cents (\$124.80) per lot or condominium unit.

(a) From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment may be increased each year not more than five percent (5%) above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.  
Unofficial Document

Section 4. Special Assessment for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area or replacement of damaged or destroyed common elements, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 and 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots and may be collected on a monthly basis, provided, however, that Developer may pay a scaled down rate which shall be not less than twenty-five percent (25%) of the fixed uniform rate for lots which are developed but unsold and unoccupied.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining

in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the Annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of six percent (6%) per annum. The association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or Abandonment of his lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinated to the lien of any first mortgage, and be subordinated to the lien of assessments imposed by the covenants, conditions and restrictions relating to any lot or unit which is sold in a townhouse development or a condominium development with separate common area and a homeowners association. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

#### ARTICLE V USE OF WATER RIGHTS

Section 1. Declarant is the owner of certain rights to water appropriated and appurtenant to the land hereinabove described. Declarant has the right to require the Salt River Valley <sup>Unofficial Document</sup> Users' Association to deliver said water to the highpoint along the border of each quarter section within said land. Declarant has appointed, and does hereby appoint, the DCBSON ASSOCIATION, INC., an Arizona corporation, as and to be its agent for the purpose of accepting delivery of all water to which Declarant is entitled, or any portion thereof, at a point to be designated by the DOBSON ASSOCIATION, INC., for use on land owned by said DOBSON ASSOCIATION, INC. This appointment of DCBSON ASSOCIATION, INC. as agent is made pursuant to an agreement between Declarant and the Salt River Valley Water Users' Association, among others, and may be completely or partially revoked by Declarant, or its successor or successors in accordance with the provisions of said agreement. In no event is this appointment to be deemed an assignment of Declarant's water rights, Declarant retaining the rights to all waters hereinbefore appropriated to beneficial use on Declarant's lands.

Section 2. Declarant is the owner of certain lands within the above described property which will be conveyed to the Association as the Common Area herein referred to. Water rights appurtenant to said land to be conveyed to said Association will then be owned by the Association, and the Association will be required to make such payments to such agencies and entities as are or may become due in order to protect and preserve said water appropriation. Included in such required payments shall be payment of the base assessment for such water by the Association, and payment of a single membership share in the cost of maintaining the structures in which said water is to be transported, stored and used, as determined by the Board of Directors of the Dobson Association, Inc., and other expenses necessary in the upkeep and maintenance of said common areas.

#### ARTICLE VI MAINTENANCE OF COMMON AREAS

The common areas owned by the Association shall be divided into a lake area used for water recreational purposes, and dry land common area appurtenant and

adjacent to said lake. The Association shall provide maintenance upon said common areas as required, such maintenance to include, but not be limited to, care of trees, shrubs, grass, walks, picnic facilities, dock areas, and other dry land uses appurtenant to said lake, as well as maintenance upon said lake area, including maintenance of the lake bed, walls, sides, and retarding of growth of water weeds, algae, and other water growth. The Association shall be responsible for including in the monthly assessment an amount sufficient to pay the base assessment for water used in said lake system, and for making the required periodic payments to the Salt River Valley Water Users' Association as billed to the Association by said Water Users' Association.

ARTICLE VII  
USE RESTRICTIONS

Section 1. Said premises are hereby restricted to use related to water recreational activities, including boating in sail boats, row boats, canoes, paddle boats, and boats propelled by electric motor of 3 horsepower or less. Under no circumstances will propulsion be permitted by internal combustion engines of any size or horsepower rating. The above enumeration of types of boats which may be used on said premises is restrictive, and no use will be permitted which is not included therein. Swimming may be permitted in the Common Areas in designated areas, as determined by the Board of Directors of the DOBSON ASSOCIATION, INC. The dry land Common Areas next to and appurtenant to the lake area shall be used for appropriate dry land recreational uses, including but not limited to swimming, hiking, bicycles on designated bicycle paths, the launching of water vessels in designated areas, and other appropriate dry land uses appurtenant to said lake. The Common Areas appurtenant to said lake owned by the Association shall not be used for equestrian purposes, nor shall any motor driven vehicle be used upon Common Areas except in designated parking areas or as may be permitted by the Board of Directors of the Association. The foregoing restrictions shall not be deemed to be applicable to any Municipal policing authority or any security force employed by the Association for the purpose of protection of the public Unofficial Document.

ARTICLE VIII  
EASEMENTS

There is hereby created a blanket easement upon, across, over and under the common area for ingress, egress, installation, replacing, repairing and maintaining all utilities, including, but not limited to, water, sewers, gas, telephones and electricity, a master television antenna system and a cable television system. The City of Mesa, a municipal corporation, is hereby granted an easement to transport water owned by the City of Mesa across the Common Areas to be owned by the Association to land owned by the City of Mesa and to be used for recreational facilities. The City of Mesa will grant an easement to the Association across lands owned by the City for the purpose of transporting water, the rights to which are appurtenant to the property owned by the Declarant or its successors in title. By virtue of this easement it shall be expressly permissible for the providing electrical and/or telephone company to erect and maintain the necessary facilities and other necessary equipment on said property. Notwithstanding anything to the contrary contained in this paragraph, no sewers, electrical lines, water lines or other utilities may be installed or relocated on said premises except as initially programmed and approved by the Developer of that development known as DOBSON RANCH. This easement shall in no way affect any other recorded easements on said premises.

Each common element shall be subject to an easement for encroachments created by construction, settling and overhangs, as designed or constructed by the Developer. A valid easement for said encroachments and for the maintenance of same, so long as it stands, shall and does exist. Notwithstanding any provision herein to the contrary, any encroachment permitted herein shall not exceed one (1) foot.

For each lot which abuts said lake common area, there is also created an easement for the purpose of construction of a dock over the lake common areas owned by the Association, said dock to be cantilevered and to extend no more than six (6) feet onto said common area. The plans for said dock shall be submitted in advance of construction to the Board of Directors of the DOBSON ASSOCIATION, INC. for approval.

ARTICLE IX  
GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgement or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said restrictions in whole or in parts.

Section 4. Annexation.

(a) Additional residential property and Common Area may be annexed to the properties with the consent of two-thirds (2/3) of each class of members, except provided in Article IX, Section 4. (b) herein.

Unofficial Document

(b) Additional residential property and common area within the area shown on the general plan of Dobson Ranch, as approved by the City Council, City of Mesa, Maricopa County, Arizona, may be annexed by Declarant without the consent of Class A, Class B, or Class C members within seven (7) years of the date of this instrument, provided that the FHA and VA determine that the annexation is in accordance with the general plan heretofore approved by them.

Section 5. FHA/VA Approval. As long as there is a Class D membership the following will require the prior approval of the Federal Housing Administration or the Veterans Administration: Annexation of additional properties, dedication of Common Area, and amendment of this Declaration of Covenants, Conditions and Restrictions.

ARTICLE X  
SUBDIVISION PROVISIONS

No part of any dwelling constructed on any of said Lots shall be used for living purposes until the entire structure is complete, nor shall any structure of a temporary nature be used as a dwelling on any lot in Laguna Shores Unit VI nor shall any trailer, tent, shack, garage, barn or any other structure or dwelling be moved onto said lots in Laguna Shores Unit VI from outside the subdivision, except that a manufactured storage shed of dimensions not to exceed eight feet by ten feet in width and length and seven feet in height may be placed behind the home on any lot, and subject to approval by the Architectural Control Committee, as to placement on the lot, and subject to the limitations of Section 16 herein.

DKT 13894 PG1362

Section 2. No single family dwelling shall be erected, permitted or maintained on any lot in Laguna Shores Unit VI that shall have a ground floor area of less than 1,000 square feet, except those lots restricted in section 16.

Section 3. No hospital, sanitarium, hotel or motel of any kind or nature shall be constructed, permitted or maintained on any of said Lots, nor shall any building on any of said lots be used or occupied for the care, lodging or entertainment for hire of persons suffering from disease.

Upon the written demand of the Architectural Control Committee and after availability of underground television antenna connection cable, any private antenna shall be promptly removed.

Magura whose official address shall be 4550 North Black Canyon Highway, Phoenix, Arizona, until the Declarant is no longer a title holder of any lots in the subdivision described herein; provided, however, that the Developer shall have the right at any time during such period to remove any member of such committee and by a recorded certificate to appoint a successor to said Committee. At such time as the Developer is no longer a title holder of any of such lots, the Developer shall make a reasonable effort to find three of the then Owners who are willing to be members of the Architectural Committee and shall appoint and designate these three Owners to be members of the Architectural Committee, and they shall constitute the Architectural Committee as soon as they have accepted the appointment and designation, and the Declarant shall cause at that time a statement to be recorded in the records of Maricopa County, Arizona, setting forth the names and official address or addresses of the Architectural Committee thus appointed; provided, however, that the Owner shall have the right and power by a written majority vote to appoint and designate new members for the Architectural Committee, not to exceed three in number, to replace any or all of the committee members at any time after the Declarant is no longer an Owner, and a statement setting forth the names

DKT 13894 PG1363

and official address or addresses of the Architectural Committee thus appointed by the vote of the then Owners shall be recorded in the records of Maricopa County, Arizona. Failure to record statements concerning new appointments to the Architectural Committee as provided in this paragraph shall not vitiate or otherwise impair the effectiveness of such appointments.

b. Except as provided for in section 6(a) hereof, in the event of the death, disability, or resignation of any member of the Architectural Committee, the remaining member or members shall constitute the Architectural Committee and shall exercise all of the rights and powers granted to, and shall have all the duties and liabilities imposed upon, the Architectural Committee by this Declaration and shall appoint a new member to replace and to exercise the rights and powers of, and to have all the duties and liabilities of, the deceased, disabled, or resigned member.

d. Neither the members of the Architectural Committee nor its representatives shall be entitled to any compensation for services performed pursuant to this Declaration, and the rights, powers, duties and liabilities of the Architectural Committee conferred hereunder shall terminate thirty (30) years from the date of this instrument and thereafter the approval prescribed in section 6(a) above, shall no longer be required unless prior to the termination date hereof a written instrument shall have been executed by the then Owners of a majority of the Lots appointing a successor committee which shall thereafter exercise the same rights, and powers, and shall have the same duties and liabilities, previously exercised by and imposed upon the Architectural Committee.
