Message From the Association President

By Ron Ricci
Association President

Hello everyone!

By the time you read this, the Annual Meeting of the Members and the Annual Elections will be complete. This year's elections could see two new members, elected by you, the Residents. Having new Board Members will bring added input for everyone to consider.

It has been a rewarding year for me as the temporary Community Manager and the representative of the Board of Directors. As the Board's representative, I chose to lead by consensus and knowledge. Consensus as a collaboration from each Board member, Residents, and knowledge obtained from my personal experiences and current legal guidance.

We, the Board, value our homeowners' compliments. As you are aware, the Board consists of a group of volunteers elected to represent all of you. We do not receive any compensation, we rely on legal guidance, and we use the Business Judgment Rule. Sometimes, the decisions are difficult, but we manage to keep the Ranch moving forward with the highest standards.

Our events are continuing to be a success and are something for all residents to attend with our children and grandchildren. Some of my favorites include the Pancake Breakfast, Winter Wonderland, and, for some reason, the Ranch Clean-up and Shredding. I speculate the Clean-up gives me a chance to spruce-up my home!

Now that the cold winter is gone and the rain has subsided, the weeds are creating heartache for homeowners! My weeds just will not listen to my weed destroyer! Hope most of you are more successful with weed removal and the summer will bring some warm weather and fewer weeds!

And, speaking of growing, our Community Manager, Lynelle, is progressing admirably. She is a quick study, has a favorable imagination, and, most importantly, has noteworthy judgment.

The Board and I are looking forward to continuing to serve all of you in 2019 by moving forward in keeping the Ranch the **Best Place to Live!**

Dollar\$ & Sense

By Jeff Brosman
Association Treasurer

Hope you were able to attend or hear the results from the Annual Meeting. Wow! This past year in the election cycle sure went by quickly. A year may seem like a long time for a 5-year-old (sure, that's half their cognitive lifetime!), but for those of us over 50 (like me) that is less than 2% of our previous life experience -- hence, it sure seemed like a blink of the eye for me. Although I am willing to serve one more year as your Treasurer, that will have to be determined by the Board this month. So, I thought I would give you a brief recap of some of the financial highlights while serving as your Treasurer this past year. Below are 10 notable achievements for the past year.

1. We were able to reduce administrative costs by \$150,000 without affecting productivity or services rendered.
2. Generated and approved a complete zero-based budget, which resulted in a CY2019 Budget that is \$141,000 less than the previous year's budget, even while increasing our funding of recreational events and lake maintenance. Through the first quarter of 2019, we are still well under budget.
3. Maintained an excellent assessment rate (slightly reduced to \$46/month).
4. Completed our on-site Reserve Study (months ahead of previous years), which shows that we are well funded for our future Reserve Projects.
5. Finished CY2018 with a Net Increase to our Total Fund Balance by \$400,000 (further evidence that there is no need to raise assessment rates -- maybe even a small reduction).
6. Successfully completed our financial audit with an unqualified opinion.
7. Successfully implemented an investment program, mostly in T-Bills, the world's safest investment, that is increasing our interest income from \$7,000 per year previously to \$90,000 in 2019.
8. Reduced medical insurance costs to the Association while maintaining a medical benefit package that exceeds the vast majority of employers.
9. Provided improved monthly financial reporting to the Budget & Finance Committee and the Board of Directors.
10. Wrote financial policy changes that the Board of Directors approved in order to provide for better oversight of financial matters.

I have taken my responsibilities as Treasurer with utmost concern for meeting our fiduciary duties. Thank you for entrusting me this past year to fulfill these duties. Enjoy the last month of great weather before the summer heat!

A DOBSON RANCH HOMEOWNER / RESIDENT

Manager's Message

By **Lynelle Glysson**
Community Manager

I have felt very welcome since starting here at Dobson Ranch in January. I have been able to speak to many residents and discussed several topics. I have met with several city officials and leadership at sub-associations. Open communication is an important part of running the operations of Dobson Ranch.

As the manager, I am hired by the Board of Directors to run the day-to-day operations of the Association. Some of those tasks include: organizing and leading staff to implement and follow directives from the Board of Directors; review contracts and monitor contractors' performance; inspect the common areas and amenities and implement preventative maintenance processes; attend committee meetings; oversee the enforcement of the governing documents; and oversee the finances and collections of assessment. There is much more, but these are a few highlights.

I am also available to the members of the Association. If you have a question or concern, please feel free to reach out to me. I act as a consultant to the board; however, I am not a board member and some issues will need to be elevated to the Board of Directors.

We have a knowledgeable staff and they are available and often the front desk staff can answer your questions about most topics or get you in touch with the correct person.

I will be attending most events on the Ranch, so, please do introduce yourself. I look forward to meeting you.

Editor's Bio

Dobson Ranch Homeowners Association proudly welcomes **Nancy Roggio**, our new Communications Manager, who has taken on the role of Editor for the **Ranchers' Roundup** beginning with this issue.

She comes to us with an extensive background in marketing communications and family entertainment. She's been the Director of Communications with a billion-dollar women's specialty retailer, the Vice President of Marketing for a chain of 10 Family Entertainment Centers, and the Director of Sales and Marketing for the two largest indoor family entertainment centers in the country. Her "claim to fame" was being the Marketing Director for three nationally televised Miss America Pageants back in the early '90s.

You'll see her at numerous special events and in the community taking photos and gathering info for **Roundup**. Please join us in welcoming her to the Dobson Ranch family!

Water Awareness

By **Craig A. Wilson**
Water Management Director

The sun was out, and winter had returned one day last month. It's not those cold days but the warm wintery ones that make it comfortable to put on sandals and go for a walk and impress our winter visitors with our great surroundings. My eldest granddaughter, who hails from Minnesota, came to visit for a few days in mid-March. We set out on a short hike -- a hike because the trail surface was loose gravel and not cement or pavement. She enjoyed the brisk walk in the warming sun.

Now Spring is in full force which usually brings a taste of the much warmer weather to come. It also means the change-over from winter grass to summer turf. Our summer lawns thrive in the heat and strong sunshine. Once the soil temperature rises above 65° F, the summer turf will start to grow and take over the lawn while the heat dries up the winter rye. This happens in the Spring and the reverse happens in the Fall. As the seasons change, so do the programs controlling the devices that schedule the irrigation. What once was a manual job can now be automated using the new smart controllers.

At the Spring Expo, Dobson Ranch offered the new Rachio Wi-Fi connected smart controller at the SRP Water Expo price. This controller can be accessed by a laptop, cell phone or even by one of those devices that talks back to you. The reduced cost is available through the end of April 2019 while supplies last. Drop by Ewing on Horne in Mesa. Tell them you are a Dobson Ranch resident and receive the Rachio Smart Controller at the reduced price. Once installed at your Dobson Ranch residence, call the Dobson Ranch office and ask for an installation inspection. This inspection is to ensure that the new controller is installed and functioning properly. A rebate check of \$75 will then be issued from Dobson Ranch.

April is Water Awareness Month. Be aware of the savings the smart control of your irrigation can bring.

Deadly Week for Fish at The Lake

By Craig A. Wilson
 Water Resources Manager

It was a great week for residents, but not for fish in the Lakes of Dobson Ranch. But, thanks to our quick response, a potentially devastating problem was tackled and resolved.

A large number of fish in Lake 8 began to die during the week ending March 23, 2019. By Monday, March 25th, dead fish were being pulled out of Lake 7. Our aquatic consultant, Aquatic Consulting and Testing, Inc. was on the scene that afternoon taking water samples and fish specimens. Tests confirmed that the fish had died from the toxins released by Golden Algae. By Tuesday, March 26th, all the lakes had been tested for Golden Algae. The test results came back negative for the remaining lakes; luckily only Lakes 7 and 8 were involved in the Golden Algae outbreak.

Golden Algae produces a toxin that kills other organisms competing for food. A side effect of the toxin is damage to the gills of susceptible fish causing them to die. Golden Algae is microscopic and usually not what one would see floating on the surface of the lake. The Golden Algae could have gotten into the lakes by a number of things including boats, water fowl, and more, but most likely not from the recent fish delivery, since the outbreak happened so quickly.

Aquatic Consulting & Testing has treated Lakes 7 and 8 with a copper-based algaecide to kill the Golden Algae. The algaecide comes as a liquid and is metered into the lake from a small boat. The prop wash from the boat helps disperse the algaecide into the water. This is the first year that Dobson Ranch has had an issue with Golden Algae. Golden Algae is not normally found in fresh water but has adapted to the lakes in Arizona. Last year was reportedly

the worst outbreak of this algae in the area. Many of the other urban lakes experienced a Golden Algae bloom, but Dobson Ranch was not affected. However, it is not the case this year.

The Ranch was prepared for such an outbreak. Our consultant, Aquatic Consulting and Testing was prepared to respond by immediately taking samples to confirm the presence of Golden Algae and identifying which lakes needed to be treated. Budgets were in place to react quickly to the need to procure the necessary chemicals and disperse it into the lakes within days of the outbreak. In addition, the other parties, the City of Mesa Parks and Golf Course, were ready to react should the Algae spread.

Golden Algae is common in all the water bodies in Arizona, but generally does not bloom and cause the fish kills noted in late March. It has many ways of reaching lakes such as water fowl moving between the lakes in the region, and boats coming from contaminated lakes. Please report any dead fish you see in the lakes by calling 480-831-8314. There are many causes, but a quick response can limit the impact on the fish in the lakes.

Make Every Day Earth Day!

By Kathrine Blomquist - Water Management Committee Member

The Water Management Committee thanks all attendees and participants to the Third Annual Dobson Ranch Spring Expo. The interest in conserving natural resources clearly indicates that Dobson Ranch is a community leader in conservation practices. A special thank you to our star sponsor SRP for all the support. Keep an eye out for further details about the event in May's edition of the *Ranchers' Roundup*.

Earth Day is Monday, April 22nd and I am reminded of the saying by the cultural anthropologist, Margaret Mead, "Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has." Back in 1970, U.S. citizens took to the streets to protest the negative impacts of industrial development. In July of that year, the U.S. Congress and President Nixon created the Environmental Protection Agency, as well as many environmental laws, such as the Clean Water Act and the Endangered Species Act.

Nowadays, 192 countries and 1 billion people worldwide take part in the largest civic-focused day of action in the world.

Last year's Earth Day theme focused on ending plastic pollution. Did you limit your use of single-use plastics this past year? The common areas in Dobson Ranch have conveniently located recycling bins to assist in your recycling efforts. The focus of Earth Day 2019 is to protect threatened and endangered species. Find out more information at earthday.org

Feeling crafty? Celebrate Earth Day by creating recycled and "Good-for-the-Earth" crafts at our local Dobson Ranch Library. The Craft Night is on Thursday, April 18, 6:00 - 7:30 pm for ages 14 and up. More information is available at mesalibrary.org or call 480-644-3100.

*Happy Earth Day

Plant Problems in the Landscape – Abiotic Disorders

After our cool and moist February and early March, April is sure to bring warmer temperatures and a flush of spring growth as our landscape plants wake up after their short winter naps. Some plants, however, may just not seem right. Your landscape professional can help identify and treat plant problems that may arise. As part of ALCA's Arizona Certified Landscape Professional program, we offer "Plant Problem Diagnosis" workshops for landscape professionals to further their education.

- Before diagnosing any problem, plant species need to be properly identified. Next, determine what is normal for a plant at this time of year. For example, a tree that has lost all of its leaves would be a concern, but not if it is a Vitex in January.
- Once the problem is identified, you can begin to figure out if the problem is caused by abiotic (non living or environmental) or biotic (living) agents. It is important to identify and remedy abiotic causes of disease because left unchecked, they can create the conditions for biotic pests and diseases to take hold.

Here are some of the more common abiotic causes of plant problems in our area that you may see this time of year:

Frost Damage

Now that the danger of frost has passed, you are likely to see your landscape professional pruning away the unsightly leaves and branches that were touched by frost this winter.

Frost Damage

Micronutrient Deficiencies/Imbalances

Your landscape professional can help you determine if the soil nutrients are present in sufficient amounts in the soil, and if so, if other environmental factors such as high soil pH, low soil temperatures or moisture levels are inhibiting the uptake of the minerals to the plant.

Micronutrient Deficiencies/Imbalances

Message from the Recreation Director

By **Jesse Wright**
Associate Director of Recreation

Summer is almost here, or at least it feels that way! Come and enjoy all the amazing amenities that Dobson Ranch has to offer. We have pools, a splash pad, parks, and tennis courts to help you enjoy this season to the fullest. We also have some new and exciting events and programs coming up soon. In May, we have our Sixth Annual **Cerveza Run** starting and ending at Los Altos on Saturday, May 4th at 4:00 pm. Check in for the run will be at Los Altos as well. Please register prior to the event, no registrations will be allowed on the day of the event. There will be music, piñatas and a fiesta of fun for all ages. For more details, see the flyer or call La Casita Recreation Center.

Don't forget about the outstanding **Summer Kids Camp** at La Casita. We have lots of options this year. You will have the choice of full day, weekly, 5-week, or 10-week camp sessions. See the Summer Camp flyer for more details.

And, last, but not least, mark your calendars for **Flick 'n Float** at Los Altos on June 1st starting at sunset (about 7:30 pm). Bring your swim suits and a tube to watch the movie *Atlantis* in the pool. We are looking forward to enjoying another great summer at Dobson Ranch and I hope you are, too!

JUNIORS

The mission of Dobson Ranch junior tennis is to provide quality instruction in a fun and friendly atmosphere with a multilevel juniors program from the youngest beginners to sanctioned tournament players. Each tennis student's placement is based on age, experience and a challenge ladder. Classes combine energized drills, fun games, match play and conditioning. Our goal is for tennis students to reach a higher level of play and learn to love a sport they will play for a lifetime. Sharing the experience can make it more enjoyable, so invite a friend to join you on the courts and learn tennis together!

Junior Clinic

This class is for junior tennis players 7-12 looking for an introduction to tennis, this class will introduce basic technique through fun drills and games. Learn how to serve into the correct service box, how to keep score, how to properly rotate the racquet and how to sustain a rally. If you don't already have a racket, our tennis pro will fit your child for the proper racquet size during the first class.

PRIVATE INSTRUCTION

Private Tennis lessons are available for individual one on one instruction with the tennis professional. Please call Kwong at 480-759-2248 or kyoung@dobsonranch.com to schedule private lessons. The Dobson Ranch Tennis courts are for exclusive use of Dobson Ranch residents and of the Association tennis professional. Other professionals are not to teach classes, lessons or clinics on our Association courts at any time. To ensure the Ranch tennis program remains viable, Ranch residents should consult the Association Tennis pro for all tennis instruction. No outside tennis professionals are permitted on Association courts.

Tennis Tips for April

By Kwong Young
Dobson Ranch Tennis Professional

Every player needs practice. Even when the touring pros are not competing, they are practicing. For the local warrior, or someone who is striving to improve their skills, one must hit the court and invest in some practice time. When I started playing, I would spend hours on a hitting wall to help with stroke production, footwork and timing. Another quality practice is the use of a ball machine. The fun thing about it is that you can practice with someone else as well. Lastly, invest in a ball hopper that you can tote around with you on the court to practice serving, groundstrokes, and doing cooperative hitting with a tennis partner.

*Recap:

- 1) April tennis offerings remain the same.
- 2) In June-September, the Saturday Doubles Play class will start earlier at 7:30-9:00 am. In October we will switch back to the original time of 9:00-10:30 am.
- 3) The free tennis socials on June 15, July 13, August 17, and September 14 will begin later from 6:30-8:30 pm due to the sun/heat.

Table and Chair Rentals

Make your next at home event great with the convenience of renting tables and chairs right in your community. The Dobson Association not only rents out facilities for private rentals but renting of chairs and tables not held on a ranch facility are also available. We can accommodate a rental up to 140 metal framed folding chairs and 15 rectangle 6 foot by 3 foot tables. The resident must schedule to pick up and drop off the chairs and tables at La Casita Recreation Center. A refundable security deposit of \$50 minimum is due in cash or credit card payment to hold your reservation. The rental cost per chair is \$0.50 and \$5 per table. Table and chair rental requests are made during administration hours (except for holidays) at La Casita Recreation Center.

Dobson Dolphins

Dobson Ranch, it's time to get ready for the summer swim team at Dobson Ranch. We are a summer recreational swim team that swims in the East Valley Swim League. The team began in 1985 and is still going strong. It's a wonderful opportunity for kids to take their swimming to the next level by regular swim team practices and several meets throughout the summer.

One of the best parts of the swim team is the summer friendships that are formed and the fun, family events like the ice cream social and Patriotic Swim Meet. The season always ends with a great awards night with trophies and dvd.

Please check out our website at dosondolphins.com and come and register in person at:

La Casita – Grande/Chica Room
Saturday, May 11
9:00 am - Noon

For more information, please call or email Amy at 480-332-2524 or dobsondolphins@outlook.com.

See you at the pool!

Retirees' Club

By Jack Magura

At our last General Meeting held on Monday, March 4th, we had a gigantic White Elephant Auction of "Special Items" donated by our very generous Retirees' Club Members. All proceeds from the auction (\$700) have been given to the Booker T. Washington Elementary School on Dobson Ranch for much needed teaching supplies.

With Summer just around the corner all our outdoor Fall and Winter activities are in full swing. You'll want to be hiking, biking, and picnicking with the various groups before our intense Summer sun prohibits them.

Our April 1st General Meeting program was presented by representatives from Banner Health on Alzheimer's Disease: Memory Facts or Fiction.

The Saturday, April 6th Retirees' Pancake Breakfast, in conjunction with the Dobson Ranch Spring Expo, was well attended. Thanks to the many Retirees' Club Volunteers who worked hard to prepare and serve the delicious breakfast, the event was a success. Thanks again to all those Retirees' Club Members who volunteered to make this special event happen.

Perfect Pickleball Weather Has Returned... And, The Courts Are Busy!

By Rich Bitner

Recreation Committee Pickleball Representative

Warm dry weather has returned, bringing fantastic court conditions. It won't be long before we return to an early start to beat the summer heat!

Our Spring hours for drop-in play remain at Monday/8:00 am, Thursday Skills and Drills/9:00 am and Saturday/8:00 am, and there is play Tuesday nights at 7:00 pm. We also have our social pickleball group that plays Monday and Thursday evenings under the lights at 7:00 pm. Please be sure to get on our email list for any schedule changes, as they do happen from time to time, as frequently demonstrated this winter.

Beginners are always welcome at all our events. We welcome everyone out to play or watch pickleball at Dobson Ranch. Come out and bring your kids to see why this is the fastest growing sport in America. We always have paddles to loan and balls available, just be sure to dress appropriately for action including proper tennis shoes.

For schedule updates please check the DR website at: www.dobsonranchhoa.com/activities. Or, you can contact Rich Bitner (rebitner@cs.com) or Frank Mizner (planner1948@gmail.com) for further information, to get referrals for professional instruction, and to get on our email list for announcements regarding pickleball schedules and activities. Please contact Donna Moran at donna85202@gmail.com to get on her email list for Monday and Thursday night play.

As always, remember Dobson's six courts at the Los Altos Community Center are available to residents and their guests anytime between 7:00 am and 1:00 pm daily, another great benefit of living here! Pickle-On!

Garden Club

By Donna Chapman
Garden Club Coordinator

Gardens along Dobson Ranch Saratoga Lake 7 will be viewed by the Ranch Garden Club on Tuesday, May 14. If you are planning to "float" at the end of the season event, meet at the Saratoga Recreation Center dock at 6:00 pm. Bring some "nibble" to share and a beverage of your choice. Paper products and ice will be provided.

If you plan to attend – and we hope you will – please call 602-448-6696.

Women's Club

Spring has sprung. The desert is in all its glorious full bloom... along with your allergies. Sorry for your discomfort. Hope you'll feel better soon.

Our **Out to Lunch** group visited *Ella's Restaurant*, boasting a delicious French cuisine. This restaurant replaced the *Pink Pepper*. We urge you to make time to try this wonderful new restaurant. We'll be trying *The Ghost Ranch* in Tempe in May. Watch for Chris' notices.

Bunco was hosted by Tanya. We all had a great time and enjoyed lots of goodies.

April 25th will find us at the home of Lynn Stevens. Laurie will be sending out info.

Mark your calendar for the next **Bunco** date which will be on May 16th. This gathering will be hosted by Madame X.

Thank you, Recreation Staff for another exciting **Eggstravaganza** event coming up. We know it will be Eggcellent!

Congratulations to our newly-elected board members. Thank you, in advance, for serving.

Wishing you a Happy and Blessed Easter.

Blessings,
Patty Smith

Tennis News

By Lynn Stevens

Another tennis league season has drawn to a close for the Valley of the Sun 50+ Women's Doubles. Representing Dobson Ranch, the **Passing Shots** will stay in the 4.0, FL 2 level for next season. Having moved up a flight last year, they found their new competition very strong. The team enjoyed the Awards Banquet, held at Red Mountain Ranch Country Club on March 15. Ten of their fourteen team members attended and look forward to 2019-20 with Home matches continuing at La Casita courts, come October. Special thanks to Lynda Bailey for being Captain this past season.

Dobson Ranch Republicans

By Bob Schuster
Chairman, Dobson Ranch Republicans

Anyone living in or near Dobson Ranch who shares the conservative principles of limited government and more individual freedom is invited to attend our regular meetings the first Thursday of each month. Our next meeting is Thursday, May 2, 6:30-8:30 pm, at Native Grill & Wings, 1837 W Guadalupe Road, Mesa. We meet in the community room, where you can dine on Native's terrific food (no host), meet interesting neighbors, hear informative guest speakers, and share views on the evolving local and national political landscapes as we enter the 2020 political season. Find out how you can get involved and make a difference at the neighborhood level, and also at the Legislative District 18 and State levels.

Look for updates on our Facebook page (www.facebook.com/DobsonRanchRepublicans). Email us at DobsonRanchGOP@gmail.com with questions and to get on our mailing list.

Dobson, Washington Principals to Retire

Dobson High School and Washington Elementary School will have new leaders starting in the 2019-20 school year. Current principals Tamara Addis and Michele Grimaldi are retiring. Combined, the veteran administrators have 60 years of educational experience.

"It's bittersweet," Addis says. "The hardest part about retiring from a job that I love is leaving all the people I care about. The people really make Dobson High School unique."

Addis led Dobson through projects including one-to-one technology implementation and the addition of a new building that created a more secure, community friendly entrance and safe environment for students to learn.

Addis, who turns 60 in October, shares that she would serve as principal forever, but she has more to accomplish. As a competitive bodybuilder, she looks forward to participating in more competitions. She also looks forward to fly fishing and scuba diving, as well as serving as a mentor for new teachers.

Gabrielle Buckley, assistant principal of student services, will become the new principal at Dobson High School July 1.

"Watching Gabbi grow from a dynamic teacher into an empowered leader has been a pleasure," Addis says. "I know she will continue to inspire the community to do great things."

Grimaldi Reflects on a Successful Career

In 1992, Grimaldi started her career with Mesa Public Schools as a physical education teacher before transitioning into a school counseling position. She attributes her success to her district mentors, elementary PE specialist Deb Pangrazi and former guidance director David Shuff.

"Deb taught me the importance of having great systems in place," Grimaldi shares. "Mesa has an incredible physical education program, and the things I learned from her I still use as a principal."

When the opportunity presented itself in 2009, she didn't hesitate to join Washington Elementary as principal.

"Washington Elementary boasts a diverse student and employee demographic that features a wide variety of cultures and backgrounds," Grimaldi says. "It is one of the things that makes our community so special."

Grimaldi will miss the students and the staff at her school. Many staff members live in the community and she has seen generations of children attend Washington Elementary.

"I have served this community as a principal for 10 years, which is a long tenure for a principal," Grimaldi says. "It's time for me to take a positive risk and try something different."

Susan Jenni, dean of students at Edison and Guerrero elementary schools, will become the new principal at Washington Elementary July 1.

Mesa Public Library Offering Free Gardening Classes

This Spring, Mesa Public Library is offering a series of free gardening classes through the month of April. No registration is required.

The Library is partnering with Kaylee Colter, a native Arizonan and registered landscape architect with a Master of Science degree in Sustainable Horticulture, to offer the following remaining "Garden Like a Pro" class at the Main Library located at 64 E. First Street.

Master Gardening: Desert Adaptive Plants and Foraging
Saturday, April 20
1:00 pm – 3:00 pm

Laura Ward will discuss how to plant and care for desert adapted ground covers, shrubs and trees in your yard for year-round color and low water use. She will also talk about foraging for native desert edibles, either in your yard or growing in the wild.

Arizona Master Gardeners are university-trained volunteers who serve as community educators. They work with the University of Arizona providing research-based information on environmentally responsible gardening and landscaping to the public. After completing a semester long course, concentrating on gardening and the environment, Master Gardeners Associates volunteer to serve their communities.

Mesa has Seed Libraries at its Main Library and at the Red Mountain Branch. The Seed Library allows library card holders to check out three seed packets per month for free. Choose from a wide variety of seeds for edible plants and herbs, bring your seeds home to grow and save the seeds to donate back to the library. Seed varieties are rotated with the seasons and are suitable to local growing conditions.

The Seed Library is open during regular library hours.

Enjoy Green Experiences on Family Day - April 27

The **i.d.e.a. Museum** presents jungle-themed activities, entertainment and expert appearances during Family Day on Saturday, April 27. The all-day event centers around the museum's current exhibition, **Junkyard Jungle**, where visitors can learn about the earth's rainforests.

The exciting spring exhibition features art and hands-on activities that also teach about the environment around us, the importance of green living for future generations, best practices in recycling and conservation of natural resources.

When: 9:00 am – 4:00 pm Saturday, April 27, 2019

Where: i.d.e.a. Museum, 150 W. Pepper Place, Mesa

Planned activities include:

- Interacting with special guests
- Competing for prizes
- Dropping off electronics for recycling with ER2 and plastic bags with TREX
- Enjoying entertainment from East Valley Children's Theatre and Rising Youth Theatre

All activities are included with museum admission, which is \$9 for ages 1 and up; free for members. Memberships start at \$55.

The exhibition is sponsored by Mesa Recycles, POGO Pass, City of Mesa, the i.d.e.a. Museum Board of Directors Inc., and the Arizona Commission on the Arts, which receives support from the state of Arizona and the National Endowment for the Arts.

Mesa Movies in the Park

We'll see you in September for our 4th season of the **Ride-In-Movies at the Park**, hosted by the City of Mesa's Bike & Pedestrian Program and SRP.

Traveling to a different park throughout the City, each monthly movie begins around sunset. Moviegoers are encouraged to walk or bike to the movie, remember your helmets and bike lights! Arrive early for safety messages and activities for the kids.

The Arizona Museum of Natural History will once again host the very popular **Dino Egg Hunt**, plus crafts and live animal encounters for everyone! After their sell out event last year, they have decided to host two Dino Egg Hunts this year. One was held on April 12th, but, if you hurry, there's still time to purchase your tickets online for the second one which will be held on April 19th.

This unique family friendly event will include an egg hunt throughout the museum, crafts and live animal encounters with the Arizona Avian Alliance Association.

This event is geared towards preschool up to ten years of age, with a Tiny Tots area for our littlest egg hunters.

The Arizona Museum of Natural History (AzMNH) is located at 53 N. Macdonald, Mesa and the Dino Egg Hunt events will take place from 5:30 pm to 8:00 pm on Friday, April 12th and Friday, April 19th. Admission is \$7 per person (for everyone age 3 and up) or \$2 for members. Please note that adults are also required to purchase a ticket.

Tickets to either Dino Egg Hunt event can be purchased online at AzMNH.org or at the Museum's front desk. There is a limited number of tickets available and this is a popular event, so buy your tickets today!

Bike Month Events Bring Free Bike Fun

Dust off your helmet, pump up the bike tires and ride to downtown Mesa for a month-long celebration of everything two-wheeled. **Valley Bike Month** has continued to grow in Mesa where the City's Bicycle and Pedestrian Program ensures there's something for everyone to do to join the celebration.

Thousands of biking enthusiasts pedaled into downtown Mesa on Saturday, April 6 as bike month kicked off with a free festival celebrating all things two-wheeled. CycloMesa, in its ninth year, drew bike lovers from all over the Valley. Programming celebrating Bike Month will continue through the month of April, with additional events hosted by the City of Mesa Transportation Department's Bicycle & Pedestrian Program.

- **April 17: Bike 2 Work Day, 7:00 am – 9:00 am**
 Join the City of Mesa staff as they bike to downtown Mesa to meet-up with residents for a pancake and smoothie breakfast where proceeds raised will benefit a local charity. Again, this year will also host an Earth Day Expo during the event to highlight ways residents and employees can go green with different City department offerings.
- **April 20: Ride-In-Movies in the Park**
 Mesa's free family movie series returns Saturday, April 20, at Whitman Park for a screening of Peter Rabbit. In its third season, the Ride-In-Movies at the Park, hosted by the City of

Mesa's Bike & Pedestrian Program, SRP, and City of Mesa Parks and Recreation provides a fun, family-friendly outdoor event for residents. Traveling to a different park throughout the City, each monthly movie begins around sunset. Moviegoers are encouraged to walk or bike to the movie, remember your helmets and bike lights! Arrive early for safety messages and activities for the kids. Arrive early for fun giveaways and neighborhood news from Neighborhood Services' UConnect Pop-Up Event.

- **April 24: Smart Cycling FUN-damentals**
 Adults who are ready to get out of their car and onto a bicycle are invited to this introductory workshop to learn basic bicycle techniques, a brief update on Mesa's bicycle projects and events, plus the rules of the road. After this 90-minute class, participants will receive free bicycle safety gear. Registration required.

The City of Mesa's Transportation Department Bike and Pedestrian program strives to build a more inclusive bicycling and pedestrian community through design, planning, educational programs, events and policy. Currently, Mesa boasts more than 575 total miles of on- and off-street bicycle facilities. Most recently, they celebrated the grand opening of the Mesa Gateway Shared-Use Pathway in southeast Mesa and the Stadium Connector Shared-Use Pathway which connects both of Mesa's spring training ball parks together for cyclists.

HI, MY NAME IS EMMA. I am a very responsible 14 year old high school student and live in Dobson Ranch. I am available to babysit, house sit, and dog sit whenever you need. I love being around children and animals. I have been babysitting for two years and have my babysitter/CPR certification. I also take care of our dog, two cats, two desert tortoises, and koi fish in our fountain. I have very reasonable rates. Please call or text me at 480-489-5439.

RESPONSIBLE BABYSITTER - Hi, my name is Emily, I am 15 years old and a Sophomore at Dobson HS. I'm the fourth of nine children and experienced with all ages including infants. My Mom calls me the "Baby Whisperer." I would love to be your weekly date night sitter or summer nanny. I'm also American Red Cross Babysitter/CPR certified. Call or text me to set up an interview! 480-306-6671

HOUSE SITTING & BLACK ALGAE REMOVAL SERVICE: My name is Michael. I am 14 years old, and I can house sit for you if you are planning to go out of town. I can bring in mail, water plants, clean your pool, and check chemical levels. I can also assist with removal of black algae from your swimming pool! Rates are reasonable and negotiable. Please call 602-312-0283.

MY NAME IS JACOB STUART, I am a 17yr old junior at Dobson High. I have younger siblings whom I take care of. I also love animals and have knowledge of lawn care. I have reliable transportation and am a responsible young man. I am active and athletic, which is great to keep up with your kids. I would love to help you out in any way: babysitting, house sitting, pet sitting or lawn care. Please contact me at 602-571-9431.
