## ARCHITECTURAL REQUEST

If you require more space or have further details, please include them as an attachment on a separate page. Also, please submit all sketches, drawings, photos, and sample material brochures related to the proposed change along with paint color samples (if applicable).

Once you mail, email, deliver, or otherwise submit your improvement for review by the Architectural Committee to City Property, you will receive an "Acknowledgement" of receipt of your submittal by City Property within 5 business days. If you do not receive this "Acknowledgement" letter within 5 business days, contact us immediately. Do not start work without approval as you may be required to remove changes of improvements at your own cost.

You may submit your form by logging into your account at https://homeowners.cityproperty.com and selecting the "Submit an Architectural Request" menu item. Alternatively, you may email your completed form and all attachments to arch@cityproperty.com
