SECTION 1 KEY FOB DISTRIBUTION AND ACTIVATION

1.1 REPLACEMENT OF CURRENT KEY SYSTEM

The current "Homeowner Key" system for access to certain Association facilities will be replaced with a cloud-based Fob System beginning September 2017.

1.2 KEYLESS SYSTEM AGREEMENT

An Association Keyless System Agreement must be signed by the current property owner of the address to which it is registered or by their officially designated agent. Facility use privileges may be assigned to a tenant, resident's children or guests, or retained by the owner.

1.3 INITIAL KEY FOB DISTRIBUTION

Upon implementation, a maximum of two key fobs will be issued to each property free of cost. Additional fobs up to five (5) total may be obtained with a charge of \$10.00 each. Key fobs will not be reissued each year and must be retained.

1.4 KEY FOB REPLACEMENT

Key fobs are replaceable, not to exceed two fobs per year, if damaged fob is returned.

SECTION 2 KEY FOB USAGE

2.1 KEY FOB USE BY UNAUTHORIZED PARTY

Fobs found to be in the possession of any party other than the authorized user will be confiscated or access will be removed from the system.

2.2 FOB ACCESS DEACTIVATION

Fobs may be deactivated by the Association for various reasons not only limited to vandalism, non-payment of Association dues or violations of community documents.

2.3 SYSTEM RECORDS

The system records the time of entry and exit of all persons using the key fob; it allows the Association to retain an accurate account of who is currently in each area of the facility including the date and time. The purpose of the system is to ensure that unauthorized people are not utilizing the facilities. In addition, valuable data will be recorded on facility usage to help guide future facility decisions. Data shall not be shared with companies.
